

# MOBILE APP

TEAM MEMBERSHIP

TEAMCARD MEMBERSHIP introduces its android & apple iOS mobile application 'My TeamCard'.

Our all new App engages Members and Fans by providing personal data regarding their activity, including what tickets they have for events, what events they attended & when, & also all their loyalty point activity while making purchases.

In addition custom offers can be generated within the TeamCard Cloud Membership solution which will appear on their home screen and offers tab at specified times

The My TeamCard app integrates seamlessly with TeamCard's Cloud Membership solution & Stadium access control system
